

ASSIGNMENT-1

AIM: Write a test script to automate gmail login.

The image shows a screenshot of the Google Sign-in page. At the top, the Google logo is displayed in its multi-colored font. Below the logo, the text "Sign in" is centered in a large, black, sans-serif font. Underneath "Sign in", the text "Use your Google Account" is centered in a smaller, black, sans-serif font. A text input field is located below this text, with the placeholder text "Email or phone" in a small, blue, sans-serif font. The input field contains the email address "19se02it058@ppsuh.ac.in" in a black, sans-serif font. Below the input field, the text "Forgot email?" is displayed in a blue, sans-serif font. Further down, the text "Not your computer? Use Guest mode to sign in privately." is displayed in a black, sans-serif font, followed by a blue, sans-serif link "Learn more". At the bottom left, the text "Create account" is displayed in a blue, sans-serif font. At the bottom right, there is a blue rectangular button with the text "Next" in a white, sans-serif font.

Welcome
